

Notwithstanding all this, our fellow-citizens have always *manifested* toward the French a tolerant and humane attitude. Even after the Japanese putsch of March 1945, the Vietminh League helped many Frenchmen to cross the frontier, rescued some of them from Japanese jails, and protected French lives and property.

From the autumn of 1940, our country had in fact ceased to be a French colony and had become a Japanese possession.

After the Japanese had surrendered to the Allies, our whole people rose to regain our national sovereignty and to found the Democratic Republic of Vietnam.

The truth is that we have wrested our independence from the Japanese and not from the French.
