

Questions on Sergeant Irven Armstrong

1. What are the most important things that the students want to tell Sergeant Armstrong? (give 3 examples)
2. Look at the poster on pg. 118. What is the wartime aim? slogan? What does the picture imply?
3. Speculate why, in 1918, it may have been difficult for Irven to rise in rank within the military.
4. What health issues are the students experiencing? Has anyone in Indianapolis been afflicted?
5. How could the students collect carbon for the war effort?
6. Quote from the text, how do some of the students 'refer' to their school?
7. Look at the Thrift Stamp Card. What was the incentive to get a War Savings Stamp? How much could you redeem it for?
8. Has anything affected you in a similar way to what these students are experiencing? Elaborate.
