

PROPAGANDA

"See, in my line of work you got to keep repeating things over and over and over again for the truth to sink in, to kind of catapult the propaganda."—

George W. Bush

REMEMBER propaganda often:

- ☆ Is a media with an intent to convert people to its message
- ☆ Is politically motivated
- ☆ Uses stereotypes and/or popular culture
- ☆ Uses slogans and/or metaphors

Your Task:

1. Create a poster, script for a radio commercial, or storyboard for a movie or cartoon that can be considered propaganda. Use the themes and goals of the government during World War II in your propaganda.
2. Include a one or two paragraph explanation about your intended audience, your goal in producing the propaganda and your message. Also write about where you would advertise your propaganda- in a magazine? On daytime TV? etc- and why.
